

SPECIFICATION SHEET

SWATSCOPE® BY MICRO-TIMES LLC

PRODUCT - SSVZ-X Tactical Sniper Periscope

FEATURES

The **SSVZ-X Tactical Camo Periscope** is a hand held periscope that comes standard with a variable 4X to 9X power zoom. The extendable slide bar provides 22 1/2 inches of height advantage.

The US Patented SWATSCOPE® can be carried hands free with a belt hook and is shipped and stored, ready to use, in an aluminum protective case. The SWATSCOPE® is made of a high quality aluminum alloy, highly polished glass prisms and glass lenses. The eyepiece rubber cup can be folded back for use with glasses.

The SSVZ-X Tactical Camo version Periscope comes standard with 3M Removable 4 mil Camo material covering the Swatscope.

Included with the SSVZ-X are:

- Desert Camo SWATSCOPE® 3M Removable CamoClad® material
- Desert Camo Soft Sling Case (SSC-C)
- An Aluminum Hard Case
- Anodized Aluminum Tripod Mount Handle with 1/4 20 threads
- Attachment for Flashlight, Camera or IR Laser (1" diameter max)
- Belt Hook
